SmartStream Names Haytham Kaddoura as New CEO

Previous CEO Philippe Chambadal takes president role

Philippe Chambadal has changed roles from CEO to president of SmartStream

Company undergoes management reshuffle as it focuses on strategic initiatives

SmartStream Technologies has named Haytham Kaddoura as CEO of the company. He will be working with incumbent CEO Philippe Chambadal, who will be assuming the role of president.

With the recent formation of the SmartStream Reference Data Utility and in anticipation of upcoming acquisitions, Chambadal will focus on these and other strategic initiatives, the company says. He had been CEO of SmartStream since 2009.

Kaddoura served as an advisor to the board of directors of SmartStream, and is a member of the board of directors of the Reference Data Utility.
