A 3D pie chart is displayed on a computer keyboard. The chart is divided into several segments, each with a percentage and a numerical value. A black pen is positioned diagonally across the chart. The background is a dark, teal-colored image of a keyboard.

## SmartStream Partners with Cassini to Ease IM Compliance

March 21, 2019 by [Eugene Grygo](#)

The two vendors are working together to offer buy-side firms tools for initial margin management and analysis.

Post-trade services and systems vendor SmartStream Technologies is partnering with Cassini Systems, a margin analytics vendor serving the buy side in derivatives trading, in an effort to ease the operational burden of managing initial margin requirements for uncleared, over-the-counter (OTC) derivatives. The vendors will focus on financial institutions that are beginning the create new operational...
